

Accessibility Statement for Rickerby Chauffeur Cars

Effective Date: May 22, 2025

Rickerby Chauffeur Cars is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying the relevant accessibility standards.

1. Our Commitment

We believe that our website should be accessible to the widest possible audience, regardless of technology or ability. We are working towards making our website as accessible as possible and are guided by the Web Content Accessibility Guidelines (WCAG) 2.1 AA standards.

2. Accessibility Features

While our website is primarily informational and simple in design, we aim to ensure it meets basic accessibility principles:

- **Clear and Legible Text:** We strive to use clear fonts and sufficient contrast for readability.
- **Keyboard Navigation:** All interactive elements (such as links and the email enquiry button) should be navigable using a keyboard.
- **Semantic HTML:** We use appropriate HTML elements to structure content, aiding screen readers and other assistive technologies.
- **Responsive Design:** The website is designed to be usable on various devices and screen sizes.

3. Limitations and Feedback

Despite our best efforts to ensure accessibility, there may be some limitations. We are always learning and looking for ways to improve.

If you encounter any accessibility barriers on our website, or if you have suggestions on how we can improve accessibility, please contact us. We value your feedback and will do our best to address your concerns and make necessary improvements.

4. Contact Us

If you have any questions or feedback regarding the accessibility of our website, please contact us:
